Bantam 1	\$3,275	\$2,325
Bantam 2	\$3,175	\$2,325
Girls U 14	\$2,975	\$2,225

The fees for this season are slightly lower than last year. We are trying to ease the cost of travel hockey and the transition to our new rink. It is very important that you pay and register using the online system. We are using the online system for all record keeping and also providing the coaches and managers the contact information and emergency information. It ties directly into the USAH system that we use to prepare the formal rosters for the league. The system will accept credit cards and also allows you to pay using a personal check. If you have already registered online for preseason your information is stored in your account and the process should only take a few minutes. The managers will not have paper registration forms available for season fees and will not be accepting payments.

The fees include the cost of league fees, ice rental, coaches, practice socks, game socks and a practice jersey. **In addition the 2009- 2010 fees will also include one tournament fee plus coaches expenses and the end of season banquet for the player and two adults. These fees do not include the**

cost of game jerseys. The fees for the Squirt/Peewee 1 and Bantam teams are slightly higher because costs for these teams are slightly higher. We will again be offering sibling discounts of 5% off the lowest fee (or fees if you are financially responsible for three or more players).

We offer several online payment options because we appreciate that the cost of travel hockey is a significant financial commitment for most families. While our preference is for online payment with credit card, we will accept a check with your online registration. We also give you an opportunity to pay over 3 installments. If you elect to pay your fees in installments, you must pay with a credit card.

It is important to note the fee this year does cover one organization wide tournament fee and coaches travel expenses and the end of season banquet. It does not cover the cost of any additional non-league tournament fees and costs, travel costs or player equipment. You must make payment (or contact the President, Katie Barber or Vice President, Mike McMahon to discuss any issues) by October 15, 2009 or your son or daughter will not be allowed to practice or play in games. Fees are non-refundable.

If you have any questions you can contact your team manager, the Treasurer, Casey Herman or President, Katie Barber.
